Transforming Community and Rural Healthcare 2024: Inspiring Partnerships and Scaling Collaborative Impact
Commercial Support Prospectus

Greetings!

On behalf of the course directors, planning committee, and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce that the very successful 2023 CE course from Mayo Clinic Health System is returning in 2024! Please join us at the Transforming Community and Rural Healthcare 2024: Inspiring Partnerships and Scaling Collaborative Impact, October 21-22, 2024, in Rochester, MN.

This two-day symposium brings together multidisciplinary healthcare leaders, providers, administrators, researchers, and educators to discuss critical issues impacting the health of community and rural populations. Sessions focus on addressing challenges faced across rural communities including, but not limited to, workforce, comprehensive cancer care, behavioral health, community partnerships, digital health and AI, and health equity. This symposium is designed for allied health professionals, administrative professionals, community organizations, government representatives, healthcare executives, general internists, nurse practitioners, nurses, physicians, physician assistants, university faculty and staff, residents, and students. We anticipate 250 attendees for the course in 2024.

We invite your company to join us along with the world-renowned faculty and support this conference. Based on the level of support you are interested in providing, we can offer various levels of recognition. Companies that support this Mayo Clinic conference are acknowledged several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services. Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with a sponsorship. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

To receive a guaranteed space for exhibiting and/or course sponsorship, please complete our letter of agreement Monday, September 9, 2024. For your convenience, Mayo Clinic's Tax ID is 41-6011702.

If you have any questions, please feel free to contact us.

Sincerely,
Mallory Hedquist
CME Specialist

Benefits of Exhibiting and Sponsoring

Technical and educational exhibits provide a professional and educational environment in which healthcare providers can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services, including how they may improve the quality of care and the management of the mechanical ventilation. Additionally, the exhibits enhance the educational content of the meeting helping to provide quality continuing medical education.

Benefits:

- Interact face-to-face with influential decision makers and numerous medical professionals in the field,
- Build visibility for your company in a competitive marketplace,
- Expand your customer base and strengthen existing customer relationships,
- Introduce new products and services,
- Additional advertisement opportunities to expand reach and further socialize with attendees.

Non-CME Educational Session (Product Theater)

\$25,000 *One Available*

A Non-CME Educational Session or Product Theater provides an opportunity for an organization to speak to attendees and faculty of the course during a break time. These sessions may be focused on either a product/device or an educational topic that is relevant to both the course and the company.

Accepted sessions will feature a 30-minute opportunity to speak on Tuesday, October 22, during lunch. This is a Promotional Symposium (Non-CME Event). Mayo Clinic will provide food and beverage for the product theater. Nonaccredited programs such as these are independently developed and directly sponsored by industry and are presented in an educational format that will provide insight on new or controversial developments.

All sessions will receive the following:

- Four complimentary registrations,
- One piece of promotional literature in attendee packet (no larger than 8.5"x11"),
- One 6' exhibit table for two representatives,
- Sponsorship acknowledgement at course through signage and announcements,
- Access to networking opportunities throughout the course,
- Receive a list of conference attendees on the first day of the conference.

The Planning Committee reserves the right to review all submissions before final agreements have been executed. Companies are encouraged to speak on educational topics in addition to products. Please note, audio/visual equipment and fees are the responsibility of the industry supporter.

A signed letter of agreement is required to secure your product theater, this agreement form will be sent after details are agreed upon. Email Kris Jones, jones.kristen@mayo.edu, for information and to confirm your session.

Exhibit Opportunity

\$2,000.00

Exhibit tables offer an opportunity for company representatives to engage with attendees and faculty during break times of the course. All exhibits include:

- One 6' exhibit table for two representatives,
- Sponsorship acknowledgement at course through signage and announcements,
- Access to networking opportunities throughout the course,
- Receive a list of conference attendees on the first day of the course.
