Sarah Harper is a lifelong educator with more than a decade of experience teaching, coaching, and mentoring at the professional, graduate, undergraduate, and K-12 levels.

Sarah is an Instructor of Healthcare Administration in the Mayo Clinic College of Medicine and Science and an adjunct faculty member in the Healthcare MBA program at the University of St. Thomas Opus College of Business. She holds a Master's in Hispanic Literature from the University of Texas at Austin and a Master of Business Administration with a focus in healthcare from the University of St. Thomas.

Sarah currently serves as the Operations Manager for the Mayo Clinic Health System AI & Biomedical Informatics team, where she partners with clinicians to design, deploy, and evaluate technical solutions that transform healthcare delivery for community patients and caregivers.

Sarah is also the co-host of the humorous and informative podcast on digital transformation in healthcare, Tech It to the Limit ([www.techittothelimit.fun](http://www.techittothelimit.fun)). She is committed to accelerating value and equity in healthcare through her work.
