

Call for Abstracts for the 2024 Mayo Clinic Care that Fits Conference

Conference Date: September 17-20, 2024

Location: Mayo Clinic Siebens Building | Rochester, Minnesota

Proposal submission deadline: Friday, June 14th, 11:59 PM Central Time. Please submit via word document or PDF.

Notification of acceptance: Friday, June 28th, 2024

Abstracts should be about “Care that Fits” and can be completed studies, in-progress work, or work still in planning phases. We will not exclude previously presented work. Case studies are also welcome. “Care that Fits” topics include but are not limited to shared decision making, minimally disruptive medicine (decreasing treatment burden, increasing patient capacity), artificial intelligence in the context of person-centered care, person-centered care examples or interventions, and patient experience research or stories.

Oral presentations will be given on Wednesday, September 18 and Posters will be displayed Thursday, September 19. It is the expectation that for accepted submissions, at least one presenter will attend in-person. These sessions will not be offered via livestream.

Fees: There are no fees associated with the submission of abstracts. There is no waiver of registration fees for acceptance of presentation, and at least one presenter is expected to register for live attendance at the meeting.

Please submit the abstract in the following format:

Original Research (300 words)

- Title
- Author(s)
- Purpose
- Population
- Methods
- Results
- Conclusions including relevance to Care that Fits
- References

Case Study (300 words)

- Title
- Author(s)
- Background
- Case Description

- Intervention(s)
- Outcomes
- Conclusions including relevance to Care that Fits
- References

Special Interest Topic (300 words)

- Title
- Author(s)
- Purpose
- Description
- Summary/Recommendation
- Conclusions including relevance to Care that Fits
- References

Important Notes:

- Please submit abstracts to Gionfriddo.michael@mayo.edu with subject line of “Care that Fits Abstract”
- All abstracts will be considered for oral and poster presentations. If you prefer to only present in one format, please note that in the body of your email.
- If any questions, please reach out to Gionfriddo.michael@mayo.edu
