May 20, 2024

Greetings,

On behalf of the course directors and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce the upcoming **Hematology & Medical Oncology Practice Updates and Board Review, February 3-7, 2025** at the Ritz Carlton Maui, Kapalua.

The Mayo Clinic Hematology & Medical Oncology Practice Updates and Board Review course is designed to provide attendees with up-to-date, practical information and best practices that can be applied immediately into daily clinical practice. In addition, the high-yield program content prepares candidates for the American Board of Internal Medicine (ABIM) initial and maintenance of certification examinations in hematology and medical oncology. This course is designed for hematologists, medical oncologists, scientists, researchers, and healthcare professionals with interest in hematology and oncology.

Exhibit opportunities are available and open to all course-related industry representatives. Exhibit tables will be offered on a first-come, first-serve basis and subject to approval by Mayo Clinic School of Continuous Professional Development. Anticipated attendance at the course will range from 125-200 attendees. All exhibits will be independent from the general session educational space.

If you are interested in participating in this course, please complete the electronic [Letter of Agreement Form](#). If you have not already done so, please [create an account](#) prior to signing our letter of agreement.

Lodging is available at the Ritz Carlton Maui for a discounted rate. Please visit the [course website](#) (ce.mayo.edu/hemeonc2025) for more information.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. If you do not see what you are looking for, contact us and we will be happy to discuss additional advertisement and sponsorship opportunities.

Thank you for your consideration, we are looking forward to the Hematology & Medical Oncology Practice Updates and Board Review course!

Sincerely,

Jessica Carter, MAOL / CME Specialist
