Hispanic/Latina Women in Medicine: Critical Needs for Empowerment and Transformation in Practice 2024

September 13-15, 2024

Jean C. Fox, M.D.
Assistant Professor of Medicine
Mayo Clinic Rochester

Brief Bio: Dr. Jean Fox is an Assistant Professor of Medicine at the Mayo Clinic in Rochester, MN. where she practices as a consultant in Gastroenterology. Dr. Fox specializes in caring for patients with complex gastrointestinal motility disorders including disorders of brain gut interaction. Dr. Fox is the Chair for Equity diversity and inclusion for her division. She is involved in outreach in our community particularly providing awareness of colon cancer screening options to underrepresented people in our community. She is passionate about patient education and empowerment. Outside the clinic Dr Fox is a mother to three busy sons and wife to her husband of 26 years, Henry. Dr Fox enjoys cooking, gardening, chicken keeping, walking her two miniature schnauzers and generally spending time with family and friends in nature.
