

High Performance Resuscitation Teams (HPRT) 2024

September 19 - 20, 2024

Sheraton San Diego on the Marina

Pacific Standard Time

Thursday, September 19, 2024	
7:00 a.m.	Registration and Breakfast <i>Catalina Ballroom, Foyer</i>
8:00 a.m.	Welcome and Course Overview <i>Al'ai Alvarez, MD, Preston Cline, EdD, Colin Bucks, MD</i>
8:30 a.m.	Opening Keynote <i>Colin Bucks, MD, Steve Dohman, Scott Wiedensohler, Mike Morganstern</i> <i>We will analyze a complex fire event (the Orange County Hangar Fire) to provide analogies and parallels to other complex cases/deployments/events to establish a foundation for our discussion of High-Performance Teams react, respond, and recover from major incidents.</i>
9:30 a.m.	We Chose the Hard Path/RDR5 and Connect with Tabletop <i>Al'ai Alvarez, MD, Preston Cline, EdD</i> <i>When we chose to be operators in a resuscitation field, we opted for a lifestyle and degree of professional commitment not required by most jobs. This collaboration will develop thoughts on how this impacts our individual operators, and how we development our teams.</i>
10:30 a.m.	Facilitated Discussion <i>Sebastian P. Baker, APRN, C.N.P., Linnea Nierenberg, MD, Cyril A. Gillies, P.A.-C., Sammy Mehtar, MD, MS, Wesan S. Shango, P.A.-C., Mark F. Tatera, P.A.-C., Jeffrey N. Wood, P.A.-C.</i>
11:00 a.m.	Lunch
12:30 p.m.	Reset – Short Haul vs Long Haul <i>Paddy Steinfort, BPhysio, MAPP, Sara Marrello, RN</i> <i>This collaboration will consider how teams prepare for, respond to, and reset for future actions with varying operational periods (shifts vs on-call vs on-service vs seasons vs deployments).</i>
1:00 p.m.	Collaborative Inquiry <i>Paddy Steinfort, BPhysio, MAPP, Sara Marrello, RN</i>
2:00 p.m.	Facilitated Discussion <i>Sebastian P. Baker, APRN, C.N.P., Linnea Nierenberg, MD, Cyril A. Gillies, P.A.-C., Sammy Mehtar, MD, MS, Wesan S. Shango, P.A.-C., Mark F. Tatera, P.A.-C., Jeffrey N. Wood, P.A.-C.</i>
2:30 p.m.	Refreshment Break
3:00 p.m.	Motivation & Sustaining Your Team <i>Meaghan Alden, MD</i> <i>All our on-call terms vary by team. What does this mean when the time is days to months or years. How do we sustain our teams during intense whether that be difficult times over time? Think about variable timelines, difficult weekends, months during a season, a deployment, a pandemic. Focus and duration. As a leader, how do we support our teams?</i>
3:30 p.m.	Collaborative Inquiry <i>Meaghan Alden, MD</i>

High Performance Resuscitation Teams (HPRT) 2024

September 19 - 20, 2024

Sheraton San Diego on the Marina

Pacific Standard Time

4:30 p.m.	Facilitated Discussion <i>Sebastian P. Baker, APRN, C.N.P., Linnea Nierenberg, MD, Cyril A. Gillies, P.A.-C., Sammy Mehtar, MD, MS, Wesan S. Shango, P.A.-C., Mark F. Tatera, P.A.-C., Jeffrey N. Wood, P.A.-C.</i>
5:00 p.m.	<i>Adjourn</i>
6:00 p.m.	Storytelling and Dinner <i>Kevin Kling</i> <i>Every team develops a history, culture, and narrative. This narrative impacts how we recruit, select, and sustain our membership. How do we use our stories to develop the teams we need.</i>
8:00 p.m.	<i>Adjourn</i>

High Performance Resuscitation Teams (HPRT) 2024

September 19 - 20, 2024

Sheraton San Diego on the Marina

Pacific Standard Time

Friday, September 20, 2024	
7:00 a.m.	Breakfast <i>Catalina Ballroom, Foyer</i>
7:30 a.m.	Welcome & Recap <i>Al'ai Alvarez, MD</i>
7:45 a.m.	Using Story as a Reset <i>Kevin Kling</i>
8:45 a.m.	Break
9:00 a.m.	The Future of After-Action Reviews <i>Shannon McNamara, MD</i> <i>AAR's help us analyze our performance. How do we use the perspective of Safety 2 to advance our learning and training in response both our most challenging and most successful events?</i>
9:30 a.m.	Collaborative Inquiry <i>Shannon McNamara, MD</i>
10:30 a.m.	Facilitated Discussion <i>Sebastian P. Baker, APRN, C.N.P., Linnea Nierenberg, MD, Cyril A. Gillies, P.A.-C., Sammy Mehtar, MD, MS, Wesan S. Shango, P.A.-C., Mark F. Tatera, P.A.-C., Jeffrey N. Wood, P.A.-C.</i>
11:00 a.m.	Lunch
12:30 p.m.	Focus on Stress as Enhancing <i>Gloria H Park, PhD, MAPP</i> <i>If we agree that we have all chosen the 'Hard Path', this collaboration is designed to consider how each shift, call, or deployment can be used to build our strength, capacity, and professional wisdom.</i>
1:00 p.m.	Collaborative Inquiry <i>Gloria H Park, PhD, MAPP</i>
2:00 p.m.	Facilitated Discussion <i>Sebastian P. Baker, APRN, C.N.P., Linnea Nierenberg, MD, Cyril A. Gillies, P.A.-C., Sammy Mehtar, MD, MS, Wesan S. Shango, P.A.-C., Mark F. Tatera, P.A.-C., Jeffrey N. Wood, P.A.-C.</i>
2:30 p.m.	Refreshment Break
3:00 p.m.	Landing the Plane <i>Colin Bucks, MD, Preston Cline, EdD, Al'ai Alvarez, MD</i> <i>At the end of this event, we will work together to summarize the operational conclusions to provide advising and tools for adaption to home institutions.</i>
4:00 p.m.	Adjourn
