

Mayo Clinic Exhibitor Prospectus
Orthopedic Infectious Diseases 2025
May 2-3, 2025

Welcome

Greetings,

On behalf of Mayo Clinic, Mayo Clinic School of Continuous Professional Development, and course directors, Gina A. Suh, M.D., Aaron J. Tande, M.D. and Omar Abu Saleh, M.B.B.S., we are pleased to announce the upcoming [Orthopedic Infectious Diseases 2025](#) course which will be held May 2-3, 2025, at Siebens Medical Education Building in Leighton Auditorium in Rochester, Minnesota.

This Mayo Clinic course, specifically designed for infectious diseases practitioners, focuses exclusively on the complexities of managing orthopedic infections. It features dynamic, case-based modules led by experts in the field, addressing both diagnostic and therapeutic challenges. Key topics include controversies and updates in the use of DAIR (debridement, antibiotics, and implant retention) for prosthetic joint infections, the role of dalbavancin in treatment regimens, and strategies for managing fracture-related infections. Each session is followed by engaging, case-based group discussions, facilitated by a panel of seasoned professionals.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with an exhibit in the amount of \$1,500.00. This fee is for the exhibit space only. In support of ACCME guidelines, exhibitors will be in a separate area from the educational activity. We anticipate 150 attendees for this year's course. Course details can be found on the course website [here](#).

If you are interested in exhibiting at our course, please complete the online exhibitor agreement before April 1, 2025. For your convenience, our federal tax identification number is 41-6011702.

We look forward to the success of our Orthopedic Infectious Diseases 2025 course and hope you will be able to join us this coming May. If you have any questions, please feel free to contact us.

Sincerely,

Megan Roessler, M.Ed.
