

Dr. Davila is a physician in the division of Pediatric Hospital Medicine at Nationwide Children's Hospital and an Assistant Professor at the Ohio State University College of Medicine. She obtained her Medical Degree in Mexico and completed residency and Chief Residency at Nicklaus Children's Hospital. Dr. Davila provides care for hospitalized patients at Nationwide Children's Hospital and has over 14 years of experience in the field. She has a special interest in caring for underserved and underrepresented communities.

She is the Founder and Course Director for the National Latinas in Healthcare Conference in partnership with Mayo Clinic and continues to be an advocate for Latinas to promote a more diverse environment and improve patient representation.
