

**Mayo Clinic Open and Endoscopic Techniques
to the Cranial Base Surgery Course
July 23-26, 2025**

Wednesday, July 23rd, 2025	
Time	Presentation
7:15 – 7:30 am	<i>Breakfast</i>
7:30 – 7:35 am	Intro and Welcome
7:35 – 8:15 am	Orbitozygomatic approach Transcavernous 3D
8:15 – 8:30 am	Orbitozygomatic approach CM
8:30 – 10:30 am	Orbitozygomatic approach, anterior clinoidectomy, optic nerve decompression D right side
10:30 – 11:30 am	Transcavernous D right side
11:30 am – 1:00 pm	Lunch and Case Discussion
1:00 – 1:40 pm	Middle fossa, petrosectomy 3D
1:40 – 2:05 pm	Middle fossa, anterior petrosectomy CM
2:05 – 4:30 pm	Middle fossa and anterior petrosectomy D right side
4:30 – 5:00 pm	Professor Lecture
7:00 – 8:30 pm	Welcome Dinner – Non-CME

Thursday, July 24th, 2025	
Time	Presentation
7:15 – 7:30 am	<i>Breakfast</i>
7:30 – 8:20 am	Retrosigmoid approach, presigmoid and its extensions, and posterior petrosal 3D
8:20 – 9:00 am	Retrosigmoid approach presigmoid and its extensions and posterior petrosal CM

9:00 – 11:30 am	Posterior petrosal craniotomy with retrosigmoid extension approach (Translabyrinthine, transcochlear D) left side
11:30 am – 1:15 pm	Lunch and Group Photo / Case Discussion
1:15 – 1:40 pm	Far lateral and its extensions 3D
1:40 – 2:00 pm	Far lateral and its extensions CM
2:00 – 4:30 pm	Far lateral D right side
4:30 – 5:00 pm	Wrap up dissections

Friday, July 25th, 2025	
Time	Presentation
7:15 – 7:30 am	<i>Breakfast</i>
7:30 – 8:20 am	Anatomy of the nose 3D / Transsellar and Transcavernous
8:20 – 8:35 am	Skull base reconstruction 3D
8:35 – 8:55 am	Transsellar and transcavernous and skull base reconstruction CM
8:55 – 11:30 am	Transsellar, transtuberculum and nasoseptal flap harvest transcavernous approach D
11:30 am – 1:00 pm	Lunch and Case Discussion
1:00 – 1:30 pm	Transpterygoid, Meckel's cave, infrat fossa 3D
1:30 – 1:50 pm	Transpterygoid, Meckel's cave, infrat fossa CM
1:50 – 4:30 pm	Transpterygoid, Meckel's cave, infrat fossa D dissection
4:30 – 5:00 pm	Wrap up dissections
7:00 – 8:30 pm	Dinner and Professor Lecture – Non CME

Saturday, July 26th, 2025	
7:15 – 7:30 am	<i>Breakfast</i>

7:30 – 8:00 am	Anterior cranial base, medial orbit
8:00 – 8:30 am	Anterior cranial base, medial orbit, transclival CM
8:30 am – 12:00 pm	Anterior craniofacial resection, transclival, orbital D
12:00 – 1:30 pm	Lunch and Case Discussion
1:30 – 2:00 pm	Transclival, far medial, odontoid 3D
2:00 – 2:30 pm	Transclival, far medial, odontoid CM
2:30 – 4:30 pm	Transclival, far medial, odontoid D
