Dear Exhibitor,

On behalf of the Mayo Clinic School of Continuous Professional Development, Course Directors Hani M. Wadei, M.D., Ivan E. Porter, II, M.D., Connie J. Hemeyer, APRN, Melanie R. Harrell, P.A.-C., Christine M. Rogero, Pharm.D., R.Ph., and Ramla N. Kasozi, M.B., Ch.B., M.P.H., we hope you will consider a display opportunity at the **Mayo Clinic Nephrology, Hypertension and Kidney Transplantation Update for the Clinician 2025** that will take place **February 14-16, 2025**, at Disney's Contemporary Resort, Lake Buena Vista, Florida. We expect around 140 nephrologists, nephrology trainees, nurse practitioners, physician assistants, internists, primary care physicians, pharmacists and other allied health professionals who participate in the care of patients with kidney disorders, and patients with a transplanted kidney or pancreas.

The Mayo Clinic Nephrology, Hypertension and Kidney Transplantation Update for the Clinician 2025 is a three-day symposium designed to update participants on a range of nephrology topics relevant to current medical practice. Through a combination of lectures, literature review, and case-based presentations, this symposium delivers up-to-date and cutting-edge information that can be directly integrated into clinical practice. For attendees unable to join us in Orlando at the live, in person course, this conference will provide an immersive and exciting digital livestream format, with the opportunity to virtually engage with experts.

To sign up as an exhibitor or sponsor at this activity please visit the **Nephrology, Hypertension and Kidney Transplantation Update for the Clinician 2025 - Exhibit Agreement Form** at: <https://ce.mayo.edu/content/nephrology-hypertension-and-kidney-transplantation-update-clinician-2025-exhibit-agreement>

To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day. Display space is limited, and table assignments will be made on a first come, first served basis

### **Choose Your Sponsorship Level**

Exhibit fees begin at \$4,500 for the full course. Additional advertisement opportunities are offered to expand reach and provide further interaction with attendees. Exhibit space at the live course is limited.

Please review Sponsorship Opportunities and Additional Advertisement Opportunities on page 3 of this prospectus for full pricing and details.

### **Exhibit Benefits:**

- Promotion available at the live three-day course
- Exhibitors are provided the same meals and beverages provided to registered attendees
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- Includes a 6ft table, two chairs and linen at the course
- An attendee list including registered attendee's name, degree, specialty, city, state, and demographics distributed post course

- Vendor recognition in online course syllabus for all registered attendees to access
- An acknowledgement on the break slide announcements during the course
- Exhibitors may sit in the general session to listen to talks of interest if space is available (all company logos must be removed and not visible when entering the education space)
- Virtual Promotion available from the time a company signs the LOA and exhibit booth website is built until 2/16/2026
- Listing in the online exhibitor directory linked to your company website and landing page (listing will be in the order company content is received)
- Virtual Exhibit booth customization, options include PowerPoint slide, PDF handout or video
- To maintain a clear separation of promotion from education, the virtual exhibit opportunity will be available on a separate webpage tab than where course materials are accessible

Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource. In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. Our programs provide valuable information on unmet needs to the medical community. We sincerely appreciate your consideration and hope you will take the opportunity to join us for a truly unique educational program.

Sincerely,

A handwritten signature in cursive script that reads "Karen Steele".
