WELCOME

Dear Potential Sponsor,

On behalf of the course directors Gustavo Cortes Puentes, M.D., Todd Meyer, R.R.T., L.R.T., and Richard Oeckler, M.D., Ph.D., and the Mayo Clinic School of Continuous Professional Development, I am pleased to announce that the **2025 Mayo Clinic Mechanical Ventilation Conference** is returning to The Seabird Resort in Oceanside, California. The conference is October 7-10, 2025.

The Mayo Clinic Mechanical Ventilation Conference is designed to provide high-quality education and detailed instruction in mechanical ventilation management and to bring together physicians, respiratory therapists, and other healthcare professionals who are involved in providing respiratory care daily.

The complete program schedule can be viewed on the [conference website](#). We anticipate 100 attendees for the in-person course and an additional 20-30 via livestream. Last year's conference drew attendees from 23 US states, as well as, Canada, Asia, Europe, and the Middle East.

We invite your company to join us along with the world-renowned faculty and support this conference. Based on the level of support you are interested in providing, various levels of recognition are available. Companies that support this Mayo Clinic conference are acknowledged several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services.

If you are interested in supporting the **2025 Mayo Clinic Mechanical Ventilation Conference** or if you have questions, please contact Heather Schultz at Schultz.Heather5@mayo.edu or 507-293-0744.

We appreciate your interest and enthusiasm in joining us for the **2025 Mayo Clinic Mechanical Ventilation Conference** in California.

Sincerely,

Mallory Hedquist

CME Specialist, Mayo Clinic

Date, Location, and Website

Why Sponsor?

Technical and educational exhibits provide a professional and educational environment in which healthcare providers can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services, including how they may improve the quality of care and the management of the mechanical ventilation. Additionally, the exhibits enhance the educational content of the meeting helping to provide quality continuing medical education.

Benefits:

- Interact face-to-face with influential decision makers in the field of mechanical ventilation
- Build visibility for your company in a competitive marketplace
- Expand your customer base and strengthen existing customer relationships
- Introduce new products and services
- Additional advertisement opportunities to expand reach and further socialize with attendees
