Dear Exhibitor

On behalf of course directors Thomas A. Waller, M.D., Michael B. Phillips, M.D. and we hope you will consider a display opportunity at our ***31st Annual Clinical Reviews and Primary Care Update*** held ***June 16-20, 2025, at the Ritz Carlton Amelia Island, Amelia Island, Florida***. The basic exhibit fee will include a 6' skirted table with 2 chairs for a tabletop display; the attendee list including name, degree, city, state to be distributed at the course; and an acknowledgement with announcements during the course.

A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
