Mayo Clinic Opioid Conference: Evidence, Clinical Considerations and Best Practice 2025
Hilton Nashville Downtown
September 11-13, 2025

Welcome –

On behalf of course directors Benjamin Lai, M.B., B.Ch., B.A.O., Oludare, Olatoye, M.D., and Julie L. Cunningham, Pharm.D., R.PH. and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce this year's Mayo Clinic Opioid Conference: Evidence, Clinical Considerations and Best Practice, September 11-13, 2025 at the Hilton Nashville Downtown, Nashville, Tennessee

Course Description

The Mayo Clinic Opioid Conference: Evidence, Clinical Considerations & Best Practice 2024 aims to highlight the shift in guidelines and public concern regarding the use of opioids in medical practice. This course provides the most up-to-date information regarding the appropriate indication for opioids in clinical practice. Topics cover the basics of opioid pharmacology and selection, evidence-based guidelines for opioid management, opioid tapering and legal considerations, as well as medical and interventional alternatives to opioids. In addition, the course covers a broad range of issues, including opioid use disorder and difficult patient conversations and guidelines to standardize the practice of opioid prescribing. This course includes lectures by experts in the field of pain medicine and opioid management as well as question and answer sessions.

Target Audience

This topic is important and has become a more visible public health issue. All fields within medicine that provide direct patient care are impacted, including medical, surgical and outpatient settings. All providers who prescribe (MD, DO, NP, PA, CNS) or administer (nurse, pharmacist, etc.) opioids to patients would benefit from attending this course. This course is particularly relevant for primary care providers that maintain and monitor patients on chronic opioid therapy.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate at this educational activity with an exhibit table or sponsorship listed below. Complete the online form by September 1, 2024. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

For your convenience, our Federal tax identification number is 41-6011702. We look forward to the success of our course this year and hope you will be able to join us! If you have any questions, please feel free to contact us.

Sincerely,

Lisa Winter

Sponsorship Opportunities

Technical and educational exhibits provide a professional and educational environment in which physicians can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services, including how they may improve the quality of care and the management of the medical/surgical practice. Additionally, the exhibits enhance the educational content of the meeting helping to provide quality continuing medical education.

Please reach out to [Lisa Winter](#) or [Morgan Gish](#) if you are interested in sponsoring our event.

Don't see what you are looking for? Contact us and we would be happy to discuss additional advertisement opportunities with you.
