Beyond the Haze: A Clinical Guide to Medical Cannabis

Session Date: 06/17/2025

Session Time: 11:00 – 11:45 AM (CST)

Target Audience

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including pharmacists, RNs, APRNs, PAs, MDs.

Activity Overview

Cannabis has emerged as a therapeutic agent of increasing interest and utilization in clinical practice, driven by expanding legalization and growing patient demand. As pharmacists and healthcare providers are faced with guiding safe and evidence-based use, it is essential to understand the complexities of cannabis pharmacology, therapeutic potential, and evolving regulatory frameworks. This presentation will explore the pharmacodynamic and pharmacokinetic properties of cannabis and its active constituents, with a focus on clinically relevant drug interactions. The current literature supporting cannabis use across various medical conditions—autism spectrum disorder (ASD), gastrointestinal disorders and Obstructive Sleep Apnea (OSA)—will be critically appraised, highlighting both efficacy and safety considerations. Finally, the session will address how shifting legal and regulatory policies impact pharmacy practice, including challenges related to product quality, patient counseling, and healthcare system integration.

Learning Objectives

At the conclusion of this knowledge-based CE session, participants should be able to:

- Describe the pharmacological properties of cannabis and identify clinically significant drug interactions with commonly prescribed medications.
- Evaluate current evidence for the therapeutic use of cannabis in specific medical conditions, including its efficacy, safety, and limitations.
- Discuss the evolving legal and regulatory landscape of medical and recreational cannabis use, and its implications for pharmacy practice and patient care.

Faculty Information

Vlad I. Popescu, PharmD
PGY1 Pharmacy Resident
Mayo Clinic Health System -Austin & Albert Lea, MN

Vlad Popescu received a Doctor of Pharmacy degree from University of Minnesota College of Pharmacy and is a current PGY1 pharmacy resident at Mayo Clinic Health System -Austin & Albert Lea. His practice interests include informatics, pharmacogenomics and ambulatory care.

Approved Provider Statement

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE

ACPE Universal Activity Number (UAN): JA0000238-0000-25-035-L01-P

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity

ANCC

Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Educational Format and CE Requirements

This CE session is available as a live presentation, including live webcast.

Participants must complete the following to record attendance and obtain CE credit:

1. Attend the entire session.
2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
 - a. This number is only used for receiving text messages related to tracking attendance
 - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record attendance for every session
3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to [NABP CPE Monitor](#).

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed:

The faculty report the following relationships:

- Vlad I. Popescu, PharmD
 - Declares no financial relationship(s) pertinent to this session
 - Declares off-label use of cannabis including medical and recreational, will be discussed during this presentation

Course Director and Planning Committee Members declare the following relevant financial relationship(s) pertinent to this session.

- No relevant financial relationship(s) with ineligible companies:
 - Jennifer Elmer, DNP, APRN, CCNS
 - Andrew Herber, PA-C
 - Sarah Jane Kotval, BSW, RSS Coordinator
 - Scott Nei, PharmD, BCPS, BCCCP, FCCM, FMSHP
 - Sara Thompson, PharmD, MEd, BCACP
- Relevant financial relationship(s) with ineligible companies:
 - Wayne Nicholson, MD, PharmD, BCPS - Intellectual Property - Anivive Lifesciences, Inc.

All relevant financial relationships have been mitigated.

For additional disclosure information regarding Mayo Clinic School of Continuous Professional Development accreditation review committee members visit ce.mayo.edu, About Us, Disclosures - or - <https://ce.mayo.edu/content/disclosures>

System and Technical Requirements

For participants viewing the webcast, sessions are delivered via Mayo Clinic intranet web browser and Adobe® PDF. For participants viewing outside the Mayo Clinic firewall, a VPN connection is required for remote access. Recommended web browser includes Google Chrome. This session is planned and coordinated by **the Department of Pharmacy, Mayo Clinic.**
