

Hospital Neurology 2026

March 26-28 in Half Moon Bay, CA

SPONSORSHIP PROSPECTUS

WELCOME

Dear Potential Sponsor,

On behalf of course directors, Rafid Mustafa, M.D. and Michel Toledano, M.D., and the Mayo Clinic School of Continuous Professional Development, I am pleased to announce the **2026 Hospital Neurology** conference that will be held at the Ritz-Carlton, Half Moon Bay, on March 26-28, 2026.

This continuing medical education course provides attendees with an update on all major areas of clinical interest in hospital neurology, an emerging and fast-growing subspecialty within neurology. Course content includes acute ischemic and hemorrhagic stroke, seizures and status epilepticus, acute neuromuscular disorders, neuro-infectious disease, neuro-oncology, and inpatient management of autoimmune neurologic disorders, among other topics.

The complete program schedule can be viewed on the [conference website](#) when it is available. We anticipate 100 attendees for the in-person course and an additional 50 via livestream.

We invite your company to join us in supporting this conference. Based on the level of support you are interested in providing, we can offer various levels of recognition. Companies that support this Mayo Clinic conference are acknowledged in several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements and course website. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services.

If you are interested in supporting the **2026 Hospital Neurology conference** or if you have questions, please contact Denise Klarich at klarich.denise@mayo.edu or 904-953-9599.

We appreciate your interest and enthusiasm in joining us for the **2026 Hospital Neurology** in Half Moon Bay, CA.

Sincerely,
Lena Davidson, CME Specialist
Denise Klarich, Education Administration Coordinator
