Dear Exhibitor,

On behalf of the Mayo Clinic School of Continuous Professional Development and Course Directors course directors Winston Tan, M.D., Yanyan Lou, M.D., Nicole Gannon PA-C, Katie Keller, PA-C, and Ashton Boyle, PA-C we hope you will consider a display opportunity at **Mayo Clinic's 9th Annual Hematology/Oncology Case-Based Approaches to Patient Care for Advanced Practice Providers and Nurses 2026** that will take place **April 9-11, 2026**, at the Hilton Beachfront Resort and Spa Hilton Head Island, Hilton Head, South Carolina. We expect around 180 Advanced Practice Providers (NP/PAs), nurses, residents, fellows and other allied health professionals who participate in the care of patients in the fields of hematology, oncology, and internal medicine.

Through a dynamic, case-based format, this symposium will address real-world challenges faced in daily clinical practice. Attendees will gain practical insights into the diagnosis, management, and supportive care of patients with a wide range of cancers. The course will emphasize clinical decision-making, multidisciplinary collaboration, and up-to-date treatment strategies to enhance the delivery of high-quality oncology care.

To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day.

**Beginning at 11am ET on December 12, 2025** we invite you to submit your request to exhibit or sponsor at this activity by completing the exhibit letter of agreement for **Mayo Clinic's 9th Annual Hematology/Oncology Case-Based Approaches to Patient Care for Advanced Practice Providers and Nurses 2026** at <https://ce.mayo.edu/content/exhibit-loa-9th-annual-hematologyoncology-case-based-approaches-patient-care-advanced>

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**
