Endocrine Update 2026

February 1-6, 2026

Lahaina, Hawaii

Greetings!

On behalf of the course directors, planning committee, and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce the upcoming [Endocrine Update 2026](#) conference. Please join us February 1 – February 6, 2026, in Lahaina, Hawaii at the Hyatt Regency Maui.

Designed for endocrinologists and interested primary care providers and surgeons, this course addresses gaps in medical knowledge and barriers in clinical practice to improve the outcomes of patients with endocrine and metabolic disorders. This program will consist of lectures, small groups, and panel discussions formats covering best practices, barriers to optimal patient outcomes, and new approaches to the evaluation and management of complex and common endocrine disorders. In addition, this year's program will feature optional afternoon workshops on integrating emerging digital technologies into practice. We anticipate over 200 attendees for the course in 2026.

We invite your company to join us along with the world-renowned faculty and support this conference. Based on the level of support you are interested in providing, we can offer various levels of recognition. Companies that support this Mayo Clinic conference are acknowledged in several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services. Mayo Clinic recognizes that these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with sponsorship or as an exhibitor. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

For your convenience, Mayo Clinic's tax ID is 41-6011702.

If you have any questions, please feel free to contact us.

Sincerely,

Megan Roessler

Non-CME Educational Session (Product Theater)

***Please note: All non-CME Product Theater sessions have been reserved for 2026**

\$35,000 – 40 minutes

\$30,000 – 30 minutes

A Non-CME Educational Session or Product Theater provides an opportunity for an organization to speak to attendees and faculty of the course during break time. These sessions may be focused on either a product/device or an educational topic that is relevant to both the course and the company.

The accepted sessions will feature an opportunity to speak on Monday (February 2nd), Tuesday (February 3rd), Wednesday (February 4th), or Thursday (February 5th) after the morning session concludes. This is a Promotional Symposium (Non-CME Event). Mayo Clinic will provide basic food and beverages. Premium food and beverage options are available for an additional fee. Nonaccredited programs such as these are independently developed and directly sponsored by industry and are presented in an educational format that will provide insight into new or controversial developments.

All sessions will receive the following:

- **Four** complimentary registrations
- One 6-foot exhibit table for two representatives
- Acknowledgement at course through signage and announcements
- Access to networking opportunities throughout the course
- A list of conference attendees on the first day of the conference

The Planning Committee reserves the right to review all submissions before final agreements have been made. Companies are encouraged to speak on educational topics in addition to products. Please note, audiovisual equipment and fees are the responsibility of the industry supporter.

A signed agreement is required to secure your sponsorship. [Click here to secure your product theater.](#) Email Blake Owens at owens.blake@mayo.edu with questions.

Exhibit Booth

\$3,000

Exhibit tables offer an opportunity for company representatives to engage with attendees and faculty during break times of the course. All exhibits include:

- One 6-foot table for two representatives
- Acknowledgement at course through signage and announcements
- Access to networking opportunities throughout the course
- A list of conference attendees on the first day of the course

[Click here to secure your exhibit booth.](#)

A signed agreement is required to secure your exhibit booth as space is limited.
