# WELCOME

---

Greetings,

On behalf of the Mayo Clinic School of Continuous Professional Development, we are pleased to announce the upcoming **Rhoton-de Oliveira: Microsurgical and Endoscopic Approaches for Skull Base and Aneurysms 2026** held at Mayo Clinic Simulation Center, Jacksonville, Florida on May 18-22, 2026.

## Course Highlights

- Review of surgical approaches and operative techniques pertaining to surgical treatment of skull base lesions such as skull base tumors, cerebral aneurysms, and other disorders.
- Designed for neurosurgeons, ENT specialists, residents, fellows, and advanced practice providers to offer a comprehensive review and hands-on training for skull-based surgical applications.

## Target Audience

This course is designed for neurosurgery medical providers at various stages of their careers including residents, fellows, attendings nurse practitioners and physician assistants.

## Exhibit Information

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with an exhibit table in the amount of \$4,500 or with a sponsorship opportunity. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

**Mayo Clinic's Tax ID is 59-3337028**

## Sponsorship Information

We have a variety of sponsorship opportunities for you to consider. Each of the opportunities is explained in further detail throughout this document. If you do not see what you are looking for, contact us and we will be happy to discuss additional advertising opportunities.

We appreciate your consideration of this request and hope you will join us in Jacksonville in May.

Sincerely,

Denise Klarich  
CME Education Coordinator

# SPONSORSHIP OPPORTUNITIES

---

## Overview:

This course offers limited, exclusive marketing and advertising opportunities. These are designed to provide exposure to attendees and presenters during the annual conference.

## Exhibit Opportunities - \$4,500

Technical and educational exhibits provide a professional and educational environment in which physicians can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services, including how they may improve the quality of care and the management of the medical/surgical practice. Additionally, the exhibits enhance the educational content of the meeting, helping to provide quality continuing medical education.

*A signed letter of agreement is required to secure your exhibit space.*

## All exhibit sponsorships include:

- Includes a 6ft table and two chairs
- Promotion at the live five-day course
- Exhibitors are provided with the same meals and beverages provided to registered attendees
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- An attendee list including registered attendee's name, degree, specialty, city, state, and demographics distributed week of course
- Vendor recognition in online course syllabus for all registered attendees to access
- Acknowledgement in announcements and on the break slides throughout the course
- Access to networking opportunities throughout the course

## Diamond Sponsorship \$20,000 (exclusive) includes:

- Keynote speaker and dinner sponsor (Wednesday, May 20, 2026)
- Breakfast or lunch sponsor

**Request for Taxpayer  
Identification Number and Certification**

Go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9) for instructions and the latest information.

**Give form to the  
requester. Do not  
send to the IRS.**

**Before you begin.** For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	<b>1</b> Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.) <b>Mayo Clinic Jacksonville</b>	
	<b>2</b> Business name/disregarded entity name, if different from above.	
	<b>3a</b> Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only <b>one</b> of the following seven boxes. <input type="checkbox"/> Individual/sole proprietor <input type="checkbox"/> C corporation <input type="checkbox"/> S corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate <input type="checkbox"/> LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) _____ <b>Note:</b> Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. <input checked="" type="checkbox"/> Other (see instructions) <b>501 (c) (3) Tax-exempt Nonprofit Corporation</b>	<b>4</b> Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) <b>1</b> Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) <b>A</b>  (Applies to accounts maintained outside the United States.)
	<b>3b</b> If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions <input type="checkbox"/>	
	<b>5</b> Address (number, street, and apt. or suite no.). See instructions. <b>4500 San Pablo Road</b>	Requester's name and address (optional)
<b>6</b> City, state, and ZIP code <b>Jacksonville, FL 32224</b>		
<b>7</b> List account number(s) here (optional)		

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

<b>Social security number</b>

<b>or</b>									
<b>Employer identification number</b>									
5	9	-	3	3	3	7	0	2	8

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

ABOUT THE COURSE

This hands-on and didactic course is designed as a review of surgical approaches and operative techniques pertaining to surgical treatment of skull base lesions such as skull base tumors, cerebral aneurysms, and other disorders.

COURSE HIGHLIGHTS

- Combines both microscopic and endoscopic techniques with simulated micro-anastomosis training sessions to improve microsurgical skills
- Intensive hands-on cadaver dissection sessions, covering a broad spectrum of transcranial approaches
- Participants work in teams on prepared injected fixed specimens under the guidance of distinguished expert faculty

LEARNING OBJECTIVES

Upon completion of this program, participants should be able to:

- Determine the appropriate microsurgical techniques for treatment of complex aneurysms and complex skull base lesions.
- Identify the relevant skull base anatomy and master the use of endoscopic and microscopic tools for skull base surgery.
- Demonstrate proficiency in microscopic and endoscopic techniques during hands-on sessions on cadaveric specimens to improve skills.
- Identify the major skull base approaches to various neurosurgical disorders affecting the skull base and brain.

TARGET AUDIENCE

This course is designed for neurosurgery faculty, fellows, resident, nurse practitioners, and physician assistants.
