Dear Exhibitor,

On behalf of course directors, Anirban Bhattacharyya, M.D., M.S., and Pablo Moreno-Franco, M.D., we hope you will consider a display and/or sponsorship opportunity at **Mayo Clinic Datathon and Data Summit 2026** being held **April 10-12** at **Mayo Clinic Florida in Jacksonville, FL**. We expect around 100 physicians, nurse practitioners, physician assistants, healthcare executives, and nurses, who participate in data analytics through the [application](#) of data science tools and techniques.

This Datathon and Summit is a two and a half-day immersive event that brings together multidisciplinary teams to develop innovative solutions using healthcare data. The event kicks off with two days dedicated to a datathon competition, where teams comprising of healthcare professionals and experts from computer science, engineering, and mathematics collaborate to solve critical clinical problems using real-world datasets. The event concludes with a 1-day Data Summit, featuring keynote addresses, panel discussions, and workshops on AI, data sharing, and ethical issues in healthcare. Participants gain hands-on experience in data analytics, AI model development, and clinical problem-solving.

Choose Your Sponsorship Level

Exhibit fees begin at \$2,500 for the full course. Additional advertising opportunities are offered to expand reach and provide further interaction with attendees. Exhibit space at the live course is limited with table assignments made based on the level of sponsorship and the date the signed exhibit letter of agreement (LOA) is received in our office.

Please review Sponsorship Opportunities and Additional Advertisement Opportunities on page 3 of this prospectus for full pricing and details.

To Submit an Exhibit Request, please fill out the online form located at: [Mayo Clinic Datathon and Data Summit 2026](#).

To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held or separated by at least 30 minutes. Exhibits are open from registration until the conclusion of the final lecture on the last day. Display space is limited, and table assignments will be made on a first come, first served basis.

Exhibit Benefits:

- Promotion available at the live course
- Exhibitors are provided the same meals and beverages provided to registered attendees
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- Includes a 6ft table and two chairs at the course
- An attendee list including registered attendee's name, degree, specialty, city, state, and demographics distributed post course
- Vendor recognition in online course syllabus for all registered attendees to access
- An acknowledgement on the break slide announcements during the course
- Exhibitors may sit in the general session to listen to talks of interest if space is available (all company logos must be removed and not visible when entering the education space)

Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource. In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. Our programs provide valuable information on unmet needs to the medical community. We sincerely appreciate your consideration and hope you will take the opportunity to join us for a truly unique educational program.

Sincerely,

Raegan Westfall

Education Administration Coordinator
