

Mayo Clinic Department of Surgery
Faculty Development Education Seminar
“Artificial Intelligence for the Educator”

Thursday, April 9, 2026 / 8:00 AM – 12:45 PM

Location: Hilton, 10 East Center Street, Fourth Floor-Doctors Mayo Hall-Room 1

Focus: To provide tangible deliverable educational tools to our faculty and senior residents that will allow them to grow as surgical educators.

Target Audience: Department of Surgery consultants and SACs as well as senior level residents in DOS (PGY-4 and PGY-5). Aim for required attendance for approximately 50% of staff (including all SACs). Division Chairs can decide who attends and can be targeted towards those with particular interest, junior faculty including all SACs or those who require further education refinement base on previous history.
