February 25, 2026

Dear Exhibitor,

On behalf of course directors, Gerardo Colon-Otero, M.D., Rami Manochakian, M.D., and Stephanie Gebhardt, APRN, D.N.P., we hope you will consider a display opportunity at our [35th Annual Mayo Clinic Hematology/Oncology Reviews](#) held July 30 - August 1, 2026 at The Ritz-Carlton Amelia Island. We expect 400+ practicing hematologists, medical oncologists, scientists, researchers, nurses, physician assistants, pharmacists and clinical research associates.

This course is a comprehensive review of hematology/oncology that focuses on the clinical application of new research developments over the preceding year. Attendees will leave with up-to-date, practical information which will have immediate clinical application. The most important clinical management questions in hematology/oncology will also be addressed in highly interactive sessions. The speakers are nationally and internationally recognized specialists in the field. Both live, in-person and virtual exhibit options are available. Please see page 3 for additional sponsorship opportunities in addition to the exhibit booths.

Live Exhibit Benefits:

- Promotion available at the live three-day course
- Exhibitors are provided the same meals and beverages provided to registered attendees
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- Includes a 6ft table, two chairs and linen at the course
- An attendee list including registered attendee's name, degree, specialty, city, state, and demographics distributed post course
- Vendor recognition in online course syllabus for all registered attendees to access
- An acknowledgement on the break slide announcements during the course
- To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held

Virtual Exhibit Benefits:

- Promotion available from the time a company exhibit booth website is built until one year from the last day of the course, 8/1/2027
- Listing in the online exhibitor directory linked to your company website and landing page (listing will be alphabetical)
- Exhibit booth customization options include PowerPoint slide, PDF handout or video

- An attendee list including registered attendee's name, degree, specialty, city, state, and demographics distributed post course
- Vendor Recognition in the online course syllabus
- An acknowledgement on the break slide announcements during the course
- To maintain a clear separation of promotion from education, the virtual exhibit opportunity will be available on a separate webpage tab than where course materials are accessible

Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource. In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. Our programs provide valuable information on unmet needs to the medical community. We sincerely appreciate your consideration and hope you will take the opportunity to join us for a truly unique educational program.

Sincerely,

Karen Steele
Education Administration Coordinator

Sponsorship and Exhibit Opportunities:

Premier Sponsorship Opportunities	Gold \$28,000	Silver \$14,500	Bronze \$10,000	Live Exhibit Only \$5,500	Virtual Exhibit Only \$3,000
Number of Spots Available	2	5	18		
Waived Fee for Conference Bag Insert	X				
Signage at breakfasts and lunches	X	X			
Virtual Exhibit Booth	X	X	X		X
Exhibit Table	2 - 6 ft. tables (premium location) <i>First Table Selections</i>	1 - 6 ft. table (premium location) <i>Second Table Selections after Gold group</i>	1 - 6 ft. table (premium location) <i>Third Table Selections after Silver group</i>	1 - 6 ft. table (standard location)	N/A

Additional Sponsorship Opportunities:

Welcome Reception Sponsor - \$10,000 per company (Limited to 3 Companies)

We invite you to display your company logo for all Attendees to see during the Welcome Reception/Fellows Research Posters Session. Your sponsorship includes a 6' display table for your promotional materials at the entrance to the reception, along with prominent sponsorship signage outside the reception area and inside the ballroom. Your company will provide a high-resolution logo to be printed on physical signage and used in digital signage.

Internet - \$7,000 (Exclusive)

Help attendees stay connected with their office and home while away at the 35th Annual Hematology/Oncology Reviews 2026. Sponsor the wireless internet access in the meeting space. The supporter will be recognized throughout the meeting in signage and electronic communications.

Conference Bags - \$5,000 (Exclusive)

Display your company logo for all Attendees to see and announce your presence at the conference. Your company will provide a high-resolution logo to be printed on conference bags ordered by managing committee. All bags will contain flyers and advertisements from other participants. (Artwork to be provided by sponsoring company and is subject to MCSCPD approval)

Conference Bag Inserts - \$2,500

Conference bag inserts are a great opportunity to invite attendees to your booth, announce your booth participation or conference-related event. Your company will provide 350 copies of the flyer or advertisement (no larger than 8 ½ x 11, no more than one page) and MCSCPD will place them into the official conference bags.

LEARNING OBJECTIVES

- List practice-changing developments in hematology and medical oncology from 2025–2026, including newly approved drugs, indications, and combination strategies that impact standard-of-care treatments
- Describe the results and clinical implications of recent landmark and practice-changing clinical trials presented at major hematology and oncology national meetings and incorporated into contemporary practice
- Identify the most critical management issues across hematologic and oncologic disease states, with emphasis on treatment selection, sequencing, and management of complex or high-risk cases
- Evaluate the benefits, risks, and appropriate clinical use of new FDA-approved hematology and oncology therapies, including emerging combinations and evolving safety considerations
- Apply updated evidence-based treatment strategies to real-world patient scenarios through interactive, case-based discussions to support optimal clinical decision-making

COURSE DIRECTORS

Gerardo Colon-Otero, M.D.

Rami Manochakian, M.D.

Stephanie Gebhardt, APRN, D.N.P.

TARGET AUDIENCE

Practicing hematologists, medical oncologists, scientists, researchers, nurses, physician assistants, pharmacists and clinical research associates and trainees.

REGISTRATION FEES

	On or Before 6/13/2026	After 6/13/2026
M.D., D.O., Scientist	\$750	\$825
Resident, Fellow, NP, PA, Allied Health Professional, Retiree	\$625	\$700

LODGING AND ACCOMMODATIONS

The Ritz-Carlton, Amelia Island

4750 Amelia Island Pkwy
Fernandina Beach, FL 32034

The reservation link will be emailed to attendees after registration. The room block sells out very quickly. Early registration is encouraged.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 21.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 21.00 ANCC nursing contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

PROGRAM AT-A-GLANCE

THURSDAY, JULY 30, 2026

Nonmalignant Hematology

- Update on Management of Thrombocytopenia
- Update on Management of Thrombosis
- Update on Management of Anemia

CLL and Multiple Myeloma

- Update on Management of Chronic Lymphocytic Leukemia (CLL)
- Update on Management of Multiple Myeloma

Acute Leukemias

- Update on Management of Acute Myelogenous Leukemia (AML)
- Update on Management of Acute Lymphoblastic Leukemia (ALL)

Chronic Myeloid Disorders (CMPN and MDS)

- Update on Management of Chronic Myeloproliferative Neoplasms (CMPN)
- Update on Management of Chronic Myelogenous Leukemia (CML)
- Update on Management of Myelodysplastic Syndromes (MDS)

Lymphomas

- Update on Management of CD30+ Lymphomas (T-cell and Hodgkin)
- Update on Management of Low-Grade Non-Hodgkin Lymphoma
- Update on Management of Aggressive Lymphomas

FRIDAY, JULY 31, 2026

GU Oncology

- Update on Management of Bladder Cancer
- Update on Management of Renal Cell Cancer
- Update on Management of Metastatic Prostate Cancer

Head and Neck Cancers and Melanoma

- Update on Management of Head and Neck Cancers
- Update on Management of Melanoma

GYN Oncology and Neuro-Oncology

- Update on Management of Gynecologic Oncology Cancers
- Update on Management of Neuro-Oncology

GI Oncology

- Update on Management of Metastatic Colorectal Cancer
- Update on Management of Potentially Resectable Rectal Cancer
- Update on Management of Gastroesophageal Cancer
- Update on Management of Pancreas Cancer
- Update on Management of Hepatobiliary Cancers
- Update on Management of Neuroendocrine Tumors

Fellows' Research Posters Discussion and Welcome Reception

SATURDAY, AUGUST 1, 2026

Lung Cancer

- Update on Management of Advanced Non-Small Cell Lung Cancer without Targetable Mutations
- Update on Management of Advanced Non-Small Cell Lung Cancer with Targetable Mutations
- Update on Management of Early-Stage NSCLC
- Update on Management of Small Cell Lung Cancer

Breast Cancers

- Update on Management of Triple Negative Breast Cancer
- Update on Management of Her2 Positive Breast Cancer
- Update on Management of Hormone Receptor Positive Breast Cancer

35th Annual Mayo Clinic Hematology & Oncology Reviews 2026

COURSE HIGHLIGHTS

- Comprehensive review of hematology and oncology that focuses on the application of new clinical and research advancements during the preceding year.
- Attendees leave with up-to-date, practical information that has immediate clinical application.
- The most important clinical management questions are addressed in highly interactive sessions.
