

Before You Register – Required for Course Participation

To access the **MIMIC dataset**, everyone must complete **both steps below**. Your registration isn't complete until both steps are done.

Step 1: Create (or Confirm) Your PhysioNet Account

1. Go to <https://physionet.org>
2. Create an account or log in.
3. Open **Account Settings**.
4. In the **Cloud** section:
 - a. Add the **Google account** you are using for this course.

👉 This Google account **must match** the one you'll use to sign the document in step 2

Step 2: Sign the MIMIC Data Use Agreement (DUA)

Once your PhysioNet account is set up:

- Sign the DUA using this link:
<https://forms.gle/xUvNLH2X2sCPW6rt9>

👉 Be sure to sign in with the **same Google account** you added to PhysioNet.

Data Access Confirmation (Required)

Please confirm below that you have completed **both steps**. Access to course data will be granted only after all requirements are met.

Data Use Agreement (DUA)

I have signed the MIMIC Data Use Agreement using the same Google account.
