

## **36th Annual Daniel E. Waite Lectureship in Oral and Maxillofacial Surgery**

Saturday, April 25, 2026  
Rochester, MN | Live In-Person

Commercial Support Prospectus

Greetings,

On behalf of course directors Dr. Kevin Arce and Dr. Christopher Viozzi, and the Mayo Clinic School of Continuous Professional Development, we are pleased to invite you to the **36th Annual Daniel E. Waite Lectureship in Oral and Maxillofacial Surgery**, April 25, 2026.

Course Description:

This event is sponsored collaboratively by the Mayo Clinic Division of Oral and Maxillofacial Surgery, the Minnesota Society of Oral and Maxillofacial Surgery, and the Waite Endowment, University of Minnesota. Guest speaker for 2026 will be David Powers, MD, DMD, FACS, FRCS (Ed), from Duke University. Session topics include technological advances in the management of craniomaxillofacial trauma.

Target Audience:

This course is designed for Dentists, Physicians, Residents/Fellows, Scientists/Researchers, and Students. We expect roughly 90 attendees at the 2026 conference.

Exhibit & Sponsorship Information:

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with a sponsorship. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

To receive a guaranteed space for exhibiting and/or course sponsorship, please complete our letter of agreement Friday, April 10, 2026. For your convenience, Mayo Clinic's Tax ID is 41-6011702.

If you are interested in participating in this course, please complete the [electronic Letter of Agreement Form](#). If you have not already done so, please create an account prior to signing our letter of agreement.

Please visit the course website at [ce.mayo.edu/waite2026](http://ce.mayo.edu/waite2026) for additional details on the course.

Thank you for your consideration!

## Exhibit Opportunities

Technical and educational exhibits provide a professional and educational environment in which physicians can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services, including how they may improve the quality of care and the management of the medical/surgical practice. Additionally, the exhibits enhance the educational content of the meeting, helping to provide quality continuing medical education.

Benefits Include:

- Interact face-to-face with numerous medical professionals,
  - Build visibility for your company in a competitive marketplace,
  - Expand your customer base and strengthen existing customer relationships,
  - Introduce new products and services
  - Additional advertisement opportunities to expand reach and further socialize with attendees
- Sponsorships opportunities

### [Click here to secure your exhibit table](#)
