Scholarship Criteria - Applicants will:

- Be in a position/role that requires active participation in the response to child maltreatment reports (investigation, prosecution, medical care and counseling) and/or child maltreatment education and prevention efforts, including interest in/or participation in the national and international missing and exploited children's program
- Provide a statement of interest (use form below) describing how and why attendance at the conference would enhance current professional skills and service to children and families.
- *Due to limited funding scholarships awarded on a first come first serve basis and will be prioritized by students in child welfare studies and applications that have not received a scholarship in the past. Scholarship applications need to be received by 4/1/26.*

**Notification letters/email or phone call to all applicants will be by April 08, 2025  
Applicants may be offered full or partial scholarships; travel and lodging not included.**

**Statement of Interest (100 words or less)**
