Dear Representative,

On behalf of Mayo Clinic School of Continuous Professional Development and course directors, Allyson E. Hamacher, P.A.-C., Gyanendra Kumar, M.D., Ali Turkmani, M.D., and Vanesa K. Vanderhyye, M.S.N., RN, CCRN, SCRNP, we hope you will consider a live exhibit opportunity at our [7th Annual Neuroscience Emergencies and Stroke Symposium](#) to be held at the Mayo Clinic Integrated Education and Research Building, in Phoenix, Arizona on July 20, 2026. For your convenience, attached is the course program schedule which includes presentation topics and faculty listing. We expect approximately 60 physicians, physician assistants, nurse practitioners, nurses, first responders and any allied health professionals practicing in neurology, emergency medicine, and primary care..

The symposium provides an overview of neurological and neurosurgical medical emergencies first responders (EMS/FD) and healthcare professionals may encounter. Lectures cover the pathophysiology, diagnosis, treatment, and complications associated with each topic. Symposium topics range from acute ischemic stroke with discussions on thrombolysis, large vessel occlusion (LVO) stroke triage, and LVO stroke management, to conditions like status epilepticus, acute monocular blindness, amaurosis, CRAO, aneurysmal/AVM management, acute intracranial hemorrhage, neuromuscular emergencies, the impact of stroke on patients and families, fundamentals of neuroimaging, and strategies for localizing stroke management.

The basic exhibit fee is **\$1,200**. To maintain a clear separation of promotion from education, all exhibits will be located in a space separate from where the general session is held. Exhibits are “open” from registration until the conclusion of the final lecture. Additionally, **other sponsorship opportunities are available** as noted on the exhibitor agreement and sponsor description page.

**Live Exhibit Benefits:**

## Mayo Clinic School of Continuous Professional Development (MCSCPD) Sponsorship Opportunities

<u>Opportunity</u>	<u>Cost</u>
<b>Lanyards</b> <b>(Sponsor-provided, pre-printed lanyards; limited to one organization)</b> Every attendee is required to wear a name badge, so what better way to advertise your company than with your logo on a lanyard! (Quantity to be determined 60 days before course.)	<b>\$2,000</b>
<b>Conference Bag Inserts</b> <b>(Multiple opportunities available)</b> Conference bag inserts are a great opportunity to invite attendees to your booth, announce your booth participation or conference- related event. Your company will provide copies of the flyer or advertisement (no larger than 8 ½ x 11, no more than one page) and the MCSCPD will stuff them into the official conference bags. A limited number of bag inserts are permitted, so early reservation is encouraged. Artwork is subject to MCSCPD approval. (Quantity of fliers/advertisements to be determined 60 days before course.)	<b>\$1,500 each</b>

As an industry supporter, if you have a sponsorship opportunity idea that isn't mentioned on this page, please contact Kalene Collins at [Collins.Kalene@mayo.edu](mailto:Collins.Kalene@mayo.edu) to discuss.
