April 7, 2026,

Dear Valued Exhibitor,

On behalf of Course Directors: Ejigayehu G. Abate, M.D., Victor J. Bernet, M.D., and Jeffrey R. Janus, M.D., we hope you will consider a display opportunity at the **7th Annual Mayo Clinic Thyroid and Parathyroid Disorders Course 2026** held **October 15-17, 2026**, at **VEA Newport Beach, A Marriott Resort & Spa in Newport Beach, California**. We expect around 150 endocrinologists, endocrine surgeons, head and neck surgeons, primary care physicians, nurse practitioners, physician assistants, and other providers who care for patients with thyroid and parathyroid disorders. This three-day course offers a comprehensive review of diagnostic techniques and medical and surgical management of thyroid and parathyroid disorders. Featuring a multidisciplinary approach, the course offers cutting-edge insights into diagnostic techniques and both medical and surgical management strategies. Topics of discussion include the assessment of benign thyroid diseases as well as pre- and postoperative management of thyroid cancer and parathyroid disorders. Discussions include review of cutting-edge imaging modalities and diagnostic methods such as molecular testing for evaluation of thyroid nodules as well as therapeutic options for the management of benign and malignant thyroid and parathyroid conditions.

To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day.

To sign up as an exhibitor or sponsor at this activity please complete the Exhibit Agreement Form at:
<https://ce.mayo.edu/content/7th-annual-thyroid-and-parathyroid-disorders-course-letter-agreement>

Choose Your Sponsorship Level

Exhibit fees start at \$4,500 for the three-day course. Please review Sponsorship Opportunities and Additional Advertisement Opportunities on page 2 of this prospectus for full pricing and details.

Additional advertising opportunities are offered to expand reach and provide further interaction with attendees. Exhibit space at the live course is limited based on the date the signed exhibit letter of agreement (LOA) is received by our office.

Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource. In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. Our programs provide valuable information on unmet needs to the medical community. We sincerely appreciate your consideration and hope you will take the opportunity to join us for a truly unique educational program.

Sincerely,

Makenzie P. Taylor
Education Administration Coordinator

Sponsorship Opportunities Mayo Clinic Thyroid and Parathyroid Disorders Course 2026
