Gastroenterology & Hepatology Board Review 2026 | Industry Support Prospectus

Greetings!

On behalf of course directors David H. Bruining, M.D., Michael D. Leise, M.D., and Karthik Ravi, M.D., we hope you will consider a display opportunity at our [Gastroenterology & Hepatology Board Review 2026](#) course being held on September 17-20, 2026, at the Radisson Blu Aqua Hotel in Chicago Illinois.

The Mayo Clinic Gastroenterology & Hepatology Board Review is a high-yield, case-based program led by expert faculty to prepare for ABIM certification exams. The course offers efficient, comprehensive content plus practical updates for immediate use in clinical practice.

We expect around 200 GI fellows and individuals preparing for GI board exams and recertifications. Others that may find this course beneficial include gastroenterologists needing MOC, GI nurse assistants, NPs, PAs, research personnel, GI assistants, and internists with interest in GI.

Display fees are \$3,500 for the full four-day course. Space is limited and table assignments will be made on a first come, first served basis. To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day. The basic exhibit fee will include a 6' skirted table with 2 chairs for a tabletop display; the attendee list including name, degree, city, state to be distributed the day of the course; and an acknowledgement with announcements during the course.

We invite your company to join us along with the world-renowned faculty and support this conference. Based on the level of support you are interested in providing, we can offer various levels of recognition. Companies that support this Mayo Clinic conference are acknowledged several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services. Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with sponsorship. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

To receive a guaranteed space for exhibiting and/or course sponsorship, please complete our letter of agreement by Monday, August 17, 2026. For your convenience, Mayo Clinic's Tax ID is 41-6011702.

If you have any questions, please feel free to contact us.

Sincerely,

Diana Reyes, CMES
