## Mayo Osteopathic Research and Education (MORE) Conference 2026

Greetings!

On behalf of the course directors, planning committee, and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce **Mayo Osteopathic Research and Education (MORE) Conference 2026**, September 18-19, 2026, in Rochester, MN.

The Mayo Osteopathic Research and Education Conference is a regional conference with an emphasis on osteopathic manual treatment and osteopathic research. It is a hub for networking and recruiting for osteopathic residents and physicians in the upper Midwest. Its focus is hands-on osteopathic education for residents and physicians.

The MORE Conference is designed for clinicians and learners across the spectrum of osteopathic manual medicine.

This includes:

- Experienced OMM professionals — medical students, residents, fellows, faculty, preceptors, and practicing physicians who want to refine clinical skills, deepen evidence-based practice, and engage in scholarly discussion.
- DOs seeking skills reinforcement — physicians who trained in OMM but are not currently using it and want structured support to reengage and rebuild confidence. These participants should look for sessions labeled OMM Essentials on the schedule.
- Clinicians new to OMM — MDs, APPs, PAs, NPs, PTs, OTs, and other healthcare professionals interested in foundational, hands-on training in osteopathic manual medicine. These participants should look for sessions labeled OMM Essentials on the schedule.
- MORE offers tiered programming designed to meet participants at their current level of experience and support continued growth in clinical practice, education, and scholarship of osteopathic manipulative medicine.

We invite your organization to support this conference alongside our world-renowned faculty. Sponsors receive recognition based on their level of support, including exhibit space, conference signage, and inclusion in announcements. The conference offers valuable opportunities to network with attendees and showcase products and services. Mayo Clinic acknowledges that such educational programs are made possible through sponsor support and invites your participation. Commercial support will be separate from the educational activity in accordance with ACCME guidelines, and the event is open to multiple organizations.

To receive a guaranteed space for exhibiting and/or course sponsorship, please complete our letter of agreement by Friday, August 14, 2026. For your convenience, Mayo Clinic's Tax ID is 41-6011702.

If you have any questions or need any company-specific forms related to this activity, please feel free to contact us.

Sincerely,

Julie Reed  
CME Specialist

## **Benefits of Sponsoring and Exhibiting**

Sponsorships and exhibits provide a professional and educational environment in which healthcare providers can receive demonstrations and view products and services. Additionally, the exhibits enhance the educational content of the conference, helping to provide quality continuing medical education.

### Benefits:

- Interact face-to-face with medical professionals in the field
- Build visibility for your company in a competitive marketplace
- Expand your customer base and strengthen existing customer relationships
- Introduce new products and services
- Additional advertisement opportunities to expand reach and further socialize with attendees

A confirmed and countersigned letter of agreement is required to secure your sponsorship. If you wish to sponsor at one of the above levels, please complete the online [letter of agreement](#).

**Important Note:** Completion of the letter of agreement form does not guarantee desired sponsorship opportunity. You will receive a follow-up email after submission, once availability of the sponsorship level is determined.

## **Exhibit Opportunity**

**\$1,500.00**

Exhibit tables offer an opportunity for company representatives to engage with attendees and faculty during break times and poster sessions of the course.

All exhibits include:

- One 6' exhibit table for two representatives
- Exhibit acknowledgement at course through announcements
- Access to networking opportunities throughout the course
- Receive a list of conference attendees prior to the course

A confirmed and countersigned letter of agreement is required to secure this Non-CME Education Session. If you wish to sponsor an Exhibit ONLY session, please complete the [online letter of agreement](#) (must create an account to complete).

**Important Note:** Completion of the letter of agreement form does not guarantee desired sponsorship opportunity. You will receive a follow-up email after submission, once availability of the sponsorship level is determined.

**Residency Programs, Participate in the Residency Fair  
Friday, September 18 – 4:00-6:00 p.m.**

The MORE Conference Residency Fair connects residency programs with osteopathic medical students actively exploring osteopathic training opportunities. Programs with osteopathic recognition, those seeking osteopathic recognition, and programs interested in recruiting students with an interest in osteopathic education and OMM are encouraged to participate.

The fair is a dedicated 2-hour block from 4–6 PM on Friday, September 18 following the conference. Programs from all specialties are welcome, whether or not they currently have osteopathic recognition.

**\$250**

- Table space provided during the residency fair

**\$900**

- Table space provided during the residency fair
- Slide presented during breaks
- Table space in the registration hall with two chairs
- One full-price registration\* for the conference

**\$1,600**

- Table space provided during the residency fair
- Slide presented during breaks
- Table space in the registration hall with two chairs
- Two full-price registrations\* for the conference

\*Each full-price registration may be traded for two resident registrations
