Greetings!

On behalf of the Course Directors and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce the upcoming [Hematology & Medical Oncology Practice Updates and Board Review 2027](#), **February 5 – 9, 2027**, at the Hilton Hawaiian Village Waikiki Beach Resort Live and Livestream.

This interactive course is designed to provide attendees with up-to-date, practical information and the best practices that can be applied immediately into daily clinical practice. In addition, the high-yield program content prepares candidates for the American Board of Internal Medicine (ABIM) initial and maintenance of certification examinations in hematology and medical oncology.

We invite your company to join us along with the world-renowned faculty and support this conference. Based on the level of support you are interested in providing, we can offer various levels of recognition. Companies that support this Mayo Clinic conference are acknowledged in several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services. Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with sponsorship or as an exhibitor. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity.

To receive a guaranteed space for exhibiting and/or course sponsorship, please complete our letter of agreement by Monday, December 7, 2026, or before space is full, whichever comes first. For your convenience, Mayo Clinic's Tax ID is 41-6011702.

If you have any questions, please feel free to contact us.
