Putting the T in LGBT: Management of Gender-Affirming Hormone Therapy

Session Date: 09/15/2026

Session Time: 11:00 – 11:45 AM (CST)

Target Audience

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including pharmacists, RNs, APRNs, PAs, MDs.

Activity Overview

Gender dysphoria is a condition in which an individual's gender identity differs from the one they were assigned at birth, leading to distress. Transgender/gender-diverse (TGD) people face social, legal, and medical discrimination, leading to worse health outcomes and greater health disparities compared to cisgender peers. Additionally, TGD people that experience gender dysphoria may pursue gender-affirming care, including gender-affirming hormone therapy (GAHT). However, due to inconsistent guidance from various healthcare and government organizations, many providers have limited knowledge on the clinical management of TGD individuals. This presentation will review healthcare considerations for the TGD community, including comorbid conditions and barriers to care, pharmacologic agents used in GAHT, and evidence-based guidance and recommendations on gender-affirming care overall.

Learning Objectives

At the conclusion of this knowledge-based CE session, participants should be able to:

1. Identify unique healthcare difficulties faced by the transgender/gender-diverse community.
2. Discuss pharmacologic agents used in feminizing and masculinizing hormone therapy in adults.
3. Describe monitoring and follow-up necessary for gender-affirming hormone therapy.

Faculty Information

Ary Vadipour, PharmD

PGY2 Ambulatory Care Pharmacy Resident

Mayo Clinic Hospital - Rochester, MN

Ary received a Doctor of Pharmacy degree from the University of Utah College of Pharmacy and is the current PGY2 ambulatory care pharmacy resident at Mayo Clinic Hospital – Rochester. Their practice interests include HIV management, gender-affirming care, sexual health, and primary care.

Approved Provider Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

ACPE

ACPE Universal Activity Number (UAN): JA0000238-0000-26-051-L01-P

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity

ANCC

Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

IPCE

This activity was planned by and for the healthcare team, and learners will receive 0.75 Interprofessional Continuing Education (IPCE) credit for learning and change.

Educational Format and CE Requirements

This CE session is available as a live presentation, including live webcast.

Participants must complete the following to record attendance and obtain CE credit:

1. Attend the entire session.
2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
 - a. This number is only used for receiving text messages related to tracking attendance
 - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record

attendance for every session

3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to [NABP CPE Monitor](#).

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed:

The faculty report the following relationships:

- Ary Vadipour, PharmD
 - Declares no financial relationship(s) pertinent to this session
 - Declares off-label use of the following medications will be discussed during this presentation:
 - Estradiol
 - Estradiol transdermal patch
 - Estradiol valerate
 - Estradiol cypionate
 - Spironolactone
 - Progesterone
 - Testosterone enanthate
 - Testosterone cypionate
 - Testosterone undecanoate
 - Testosterone gel

Course Director and Planning Committee Members declare the following relevant financial relationship(s) pertinent to this session.

- No relevant financial relationship(s) with ineligible companies:
 - Jennifer Elmer, DNP, APRN, CCNS
 - Andrew Herber, PA-C
 - Sarah Jane Kotval, MEd, BSW, RSS Coordinator
 - Scott Nei, PharmD, BCPS, BCCCP, FCCM, FMSHP
- Relevant financial relationship(s) with ineligible companies:
 - Wayne Nicholson, MD, PharmD, BCPS - Intellectual Property - Anivive Lifesciences, Inc.

All relevant financial relationships have been mitigated.
