Dear Potential Exhibitor,

On behalf of Course Directors Tyler F. Vadeboncoeur, M.D., Leslie V. Simon, D.O., and Warren Cantrell, L.M.S.N., R.N., we hope you will consider an in-person exhibit opportunity at our ***Mayo Clinic High Acuity Low Occurrence (HALO) Conference: Preparation for High-Stakes Emergencies*** to be held **February 17-20, 2027**, at the Mayo Clinic Campus in Jacksonville, Florida. This course is offered only in-person, and we expect approximately 50 in-person attendees comprised of emergency physicians, physician assistants, and nurse practitioners; both trainees and those established in emergency medicine practice. Additional participants might include urgent care providers and hospitalists.

Emergency medicine frequently involves high-acuity, low-occurrence (HALO) events that demand continuous preparation beyond routine clinical experience. *Mayo Clinic HALO Conference: Preparation for High-Stakes Emergencies* provides a comprehensive training experience through didactic sessions, hands-on skills stations, high-fidelity simulation, and interactive discussions. This course is designed to equip clinicians with the knowledge and readiness needed to manage rare, high-stakes cases with confidence and competence.

The display fee to exhibit at the live course is **\$2,000**. Space at the live course is limited and tables will be reserved on a first-come, first-served basis based on the date the signed exhibit Letter of Agreement (LOA) letter is received in our office. To maintain a clear separation of promotion from education, all exhibits will be located in a space separate from where the general session is held. Exhibits are "open" from registration until the conclusion of the final lecture.

Exhibit Benefits:

- Promotion at the four-day course
- Exhibitors are provided with the same meals and beverages provided to registered attendees
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- Includes a 6ft table with two chairs
- An attendee list including: registered attendee's name, degree, city and state distributed a week before the course.
- Vendor recognition in online course syllabus
- Acknowledgement on rolling announcements during the course

If you are interested in participating in this course, please complete the electronic [Letter of Agreement Form](#). If you have not already done so, please [create an account](#) prior to signing our letter of agreement. Return the completed Letter of Agreement Form with your payment.

Form of Payment:

- Credit Card (preferred) – Access through the [letter of agreement form](#) or call 1-800-323-2688.
- Check Payment – An invoice will be emailed to the contact identified on the Letter of Agreement form.

Mayo Clinic's Tax ID number is 59-3337028; our W-9 form is attached for your convenience.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. If you do not see what you are looking for, contact us and we will be happy to discuss additional advertisement and sponsorship opportunities.

We sincerely appreciate your consideration of this request and hope you will join us in Jacksonville, Florida, in February! [Course Website](#)

Check only one of the following seven boxes. ☐ Individual/sole proprietor ☐ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate ☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) _____ Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. ☒ Other (see instructions) 501 (c) (3) Tax-exempt Nonprofit Corporation	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) 1 Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) A (Applies to accounts maintained outside the United States.)
	3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
