Dear Exhibitor,

On behalf of the Course Directors: Ladan Zand, M.D., and Ziad Zoghby, M.D., M.B.A., Course Co-Directors: Hani M. Wadei, M.D., Ivan E. Porter, II, M.D., Pooja Budhiraja, M.B.B.S., Evamaria Anvari, M.D., and Raymond L. Heilman, M.D., and the Mayo Clinic School of Continuous Professional Development, we are pleased to announce the upcoming **Mayo Clinic Nephrology, Hypertension and Kidney Transplantation Update for the Clinician 2027**, February 12-14, 2027, at the Four Seasons Hotel Las Vegas in Las Vegas, Nevada. We expect around 200 nephrologists, nephrology trainees, nurse practitioners, physician assistants, internists, primary care physicians, pharmacists and other allied health professionals who participate in the care of patients with kidney disorders, and transplanted kidney or pancreas.

The Mayo Clinic Nephrology, Hypertension, and Kidney Transplantation Update for the Clinician 2027 is a comprehensive three-day course that brings together leading experts to examine advances in nephrology, hypertension, kidney transplantation, and the rapidly expanding role of artificial intelligence in clinical practice. Through engaging lectures, expert-led discussions, and case-based learning, participants will acquire evidence-based strategies to enhance diagnostic accuracy, individualize patient care, optimize treatment outcomes, and confidently navigate the evolving landscape of kidney health.

We invite your company to join us along with our exceptional faculty and support this conference. Based on the level of support you are interested in providing, we can offer various levels of recognition. Companies that support this Mayo Clinic conference are acknowledged in several ways, including the opportunity for an onsite exhibit, signage at the conference, and featured in conference announcements. Ample opportunities are provided during the conference for sponsors and exhibitors to network with attendees and to showcase their products and services. Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with sponsorship or as an exhibitor. Details are listed below. In support of ACCME guidelines, commercial support will be in a separate area from the educational activity. This event is open to multiple pharmaceutical companies.

To receive a guaranteed space for exhibiting and/or course sponsorship, please complete our letter of agreement Friday, January 29, 2027, or before space is full, whichever comes first. If you have any questions, please feel free to contact us.

Sincerely,

Iwona Bukato

***Non-CME Educational Session** (Product Theater)

A 30-minute Non-CME Educational Session or Product Theater provides an opportunity for an organization to speak to attendees and faculty of the course each day. These sessions may be focused on either a product/device or an educational topic that is relevant to both the course and the company.

This is a Promotional Symposium (Non-CME Event). Mayo Clinic will provide basic food and beverages. Nonaccredited programs such as these are independently developed and directly sponsored by industry and are presented in an educational format that will provide insight into new or controversial developments.

The Planning Committee reserves the right to review all submissions before final agreements have been made. Companies are encouraged to speak on educational topics in addition to products. Please note, audio/visual equipment and fees are the responsibility of the industry supporter.

Benefits of Exhibiting and Sponsoring

Technical and educational exhibits provide a professional and educational environment in which healthcare providers can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services including how they may improve the quality of care for patients seeking care. Additionally, the exhibits enhance the educational content of the meeting, helping to provide quality continuing medical education.

Benefits:

- Interact face-to-face with influential decision makers and numerous medical professionals in the field
- Build visibility for your company in a competitive marketplace
- Expand your customer base and strengthen existing customer relationships
- Introduce new products and services
- Additional advertising opportunities to expand reach and further socialize with attendees

Additional Exhibit Opportunity

Internet - \$10,000 (Exclusive)

Help attendees stay connected with their office and home while away at the Mayo Clinic Nephrology, Hypertension and Kidney Transplantation Update for the Clinician 2027. Sponsor the wireless internet access in the meeting space. The supporter will be recognized throughout the meeting in signage and electronic communications.

Conference Bags - \$5,000 (Exclusive)

Display your company logo for all Attendees to see and announce your presence at the conference. Your company will provide a high-resolution logo to be printed on conference bags ordered by the managing committee. All bags will contain flyers and advertisements from other participants. Artwork to be provided by sponsoring company and is subject to MCSCPD approval.

Lanyards - \$5,000 (Exclusive)

All attendee badges will be distributed with a lanyard to display the badge throughout the conference. The Lanyard will prominently display your company name and/or logo, whichever you choose. Artwork to be provided by sponsoring company and is subject to MCSCPD approval.

Coffee Break Enhancement - \$9,000

Provide attendees with an AM/PM jolt by sponsoring the breaks during the meeting. Display your company logo for all attendees to see and announce your presence at the conference.

Conference Bag Inserts - \$1,000 (Multiple Opportunities Available)

Conference bag inserts are a great opportunity to invite attendees to your booth, announce your booth participation or conference-related event. Your company will provide 250 copies of the flyer or advertisement (no larger than 8 ½ x 11, no more than one page) and MCSCPD will stuff them into the official conference bags.

All travel and lodging expenses are the sole responsibility of the individual registrant.

RULES AND REGULATIONS

In applying for exhibit space, exhibitors agree to abide by the following regulations:

Exhibit Regulations:

Each exhibitor is responsible for compliance with the Americans with Disabilities Act (ADA) within its assigned space.

- Attire of exhibit personnel should be consistent with the professional atmosphere of the conference.
- Demonstrations by exhibitors may not interfere with normal traffic flow nor infringe on neighboring exhibits. Demonstrations are not permitted outside of the exhibitor's assigned space.
- Canvassing or distribution of advertising material by an exhibitor is not permitted outside of the exhibitor's space.
- Canvassing or marketing of any products or services in any part of the meeting rooms by anyone representing a non-exhibiting firm is strictly prohibited.
- Subletting of exhibit space is not permitted. Sharing of exhibit space is not permitted unless it is within divisions of the same company.
- It is the responsibility of the exhibitor to have all licenses, permits, and/or registrations required by the venue, city, municipality and/or state. The exhibitor is responsible for compliance with all applicable tax laws.

CME Guidelines Related to Educational Grants, Exhibit Space and Promotional Activities:

In compliance with ACCME Standards for Commercial Support, arrangements for commercial exhibits or advertisements cannot influence or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.

- Exhibit and other promotional fees shall be separate and distinct from educational grants/commercial support.
- All exhibitors must be in a room or area separate from the education and the exhibits must not interfere or compete in any way with the learning experience prior to, during, or immediately after the activity.
- Company representatives must refrain from holding any commercial discussions in the educational classroom. All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor's space. Canvassing or distributing promotion materials outside the exhibitor's rented exhibit space is not permitted.
- Commercial interest representatives that have paid a conference registration fee may attend CME activities for the sole purpose of the representatives' own education. However, they may not engage in sales or marketing activities while in the educational classroom.

Liability:

Mayo Clinic School of Continuous Professional Development, the employees thereof, nor their representatives, nor any member of the Conference Committee or Hotel, shall be responsible for injury, loss, or damage that may occur to the Exhibitor or their property from any cause whatsoever, prior to, during, or subsequent to the period of the Exhibit. The Exhibitor agrees to indemnify the Mayo Clinic Continuous Professional Development and Hotel and their employees, volunteers, and committees from any and all claims of loss, damage, or injury. Exhibitors are encouraged to insure themselves against property loss or damage, and against both general and personal liability.

The Exhibitor understands and agrees that, for the safety of conference participants, the Exhibitor shall not perform any procedures on or provide any services to conference participants that are either invasive or are customarily performed in a practitioner's office.

Identification Number and Certification**

Go to www.irs.gov/FormW9 for instructions and the latest information.

**Give form to the
requester. Do not
send to the IRS.**

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.) Mayo Clinic Jacksonville	
	2 Business name/disregarded entity name, if different from above.	
	3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes. ☐ Individual/sole proprietor ☐ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate ☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) _____ Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. ☒ Other (see instructions) 501 (c) (3) Tax-exempt Nonprofit Corporation	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) 1 Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) A (Applies to accounts maintained outside the United States.)
	3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions ☐	
	5 Address (number, street, and apt. or suite no.). See instructions. 4500 San Pablo Road	Requester's name and address (optional)
6 City, state, and ZIP code Jacksonville, FL 32224		
7 List account number(s) here (optional)		

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number									
			-				-		
or									
Employer identification number									
5	9	-	3	3	3	7	0	2	8

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

COURSE DESCRIPTION

Stay at the forefront of kidney care at the Mayo Clinic Nephrology, Hypertension, and Kidney Transplantation Update for the Clinician 2027. This comprehensive three-day course brings together leading experts to examine advances in nephrology, hypertension, kidney transplantation, and the rapidly expanding role of artificial intelligence in clinical practice. Through engaging lectures, expert-led discussions, and case-based learning, participants acquire evidence-based strategies to enhance diagnostic accuracy, individualize patient care, optimize treatment outcomes, and confidently navigate the evolving landscape of kidney health.

LEARNING OBJECTIVES

Upon completion of this program, participants should be able to:

- Integrate emerging evidence in glomerular disease management, including indications for newly approved and evolving therapies, to optimize patient selection and treatment outcomes.
- Apply genomic and precision medicine approaches in the evaluation of kidney diseases, including inherited nephropathies and tubular disorders, to improve diagnostic accuracy and individualized care.
- Evaluate the clinical applications of artificial intelligence in nephrology, including its role in research, hypertension management, and clinical decision support, to enhance risk stratification and patient care.
- Incorporate advances in kidney transplantation, including novel technologies and noninvasive methods for detection and monitoring of allograft rejection, into evidence-based transplant management strategies.

TARGET AUDIENCE

This course is intended for members of the nephrology community and will be of interest to nephrologists, nephrology trainees, nurse practitioners, physician assistants, internists, primary care physicians and other specialists who participate in the care of patients with kidney disorders and kidney and/or pancreas transplants.

ABSTRACT SESSION

Abstract submissions are welcomed for original research and challenging clinical cases in nephrology, hypertension, and kidney transplantation. Accepted abstracts are featured during the welcome reception. For submission guidelines and additional information, visit ce.mayo.edu/neph2027.
