

Charles W. Nordstrom, MD, FACP

Hospital Internal Medicine, Eau Claire, WI

Charles Nordstrom, M.D. is a Hospital Medicine physician with over 18 years of leadership experience. He currently serves as the Chair of Clinical Practice for Mayo Clinic Health System and sits on the Clinical Practice Committees for both Mayo Clinic Midwest and the broader Mayo Clinic Enterprise.

Dr. Nordstrom has previously served as Chair of Hospital Medicine for MCHS and as the Wisconsin Chair of Hospital Practice. His leadership contributions span multiple domains, including physician personnel, utilization management, hospital quality, patient safety, and clinical documentation integrity.
