

Amy I. Olson, DNP, RN, NPD-BC
Nurse Administrator, Mayo Clinic Health System

Amy Olson is a Nurse Administrator for Mayo Clinic Health System, where she provides strategic leadership in Nursing Professional Development and Nursing Practice. With over 15 years of nursing experience, her career spans acute care, nursing education, and academic leadership—including serving as nursing faculty and Dean of Nursing.

She holds the academic rank of Instructor in Nursing and is a Silver Level Member of the Mayo Clinic Quality Academy and is nationally certified in Nursing Professional Development.

Her doctoral work focused on cultural competencies and their impact on patient outcomes, underscoring her dedication to advancing equitable and patient-centered care.
