

Dear Exhibitor,

On behalf of Mayo Clinic, Mayo School of Continuous Professional Development, and course directors, Nilüfer Ertekin-Taner, M.D., Ph.D. and Himakshi Jhala, M.P.H., M.B.A., FACHE, we hope you will consider a display opportunity at our [Mayo Clinic RNA Discoveries and Therapeutics Conference 2026](#) course held **December 2-4, 2026 at Hilton Jacksonville Mayo Clinic.**

At Mayo Clinic in Florida, we have established an RNA Discovery and Translation Program which brings together our renowned experts in discovery science, GMP manufacturing, computational biology, and investigator-initiated clinical trials and enables them to fast-track emerging innovations in RNA based cures and biomarkers.

The goal of this conference is to foster active collaborations, multidisciplinary exchange of knowledge, and global connections for next generation RNA therapies. This will be a landmark gathering of visionary leaders exploring pioneering advances in RNA technologies and their acceleration into the clinic.

Display Fees are as follows:

\$3,000 – Live Exhibit

To maintain a clear separation of promotion from education, all exhibits will be held in a different room/location than where the general sessions are held. Exhibits are open from registration until the conclusion of the final lecture on the last day.

Live Exhibit Benefits:

- Promotion available at the live three-day course from registration until the conclusion of the final lecture on the last day
- Exhibitors are welcome to participate in the daily breakfast, break and lunch options offered at the course
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- Includes a 6-foot table and two chairs

Additional advertising opportunities are offered to expand its reach and provide further interaction with attendees. Review the additional advertisement opportunities in this prospectus for full pricing and details.
