WELCOME

Greetings,

On behalf of Course Directors, Wendy Sherman, M.D.; Alfredo Quinones-Hinojosa, M.D.; Maciej Mrugala, M.D., Ph.D.; Terry Burns, M.D., Ph.D.; and Rich Byrne, M.D., we hope you will consider an in-person exhibit opportunity at our ***Mayo Clinic Neuro-Oncology Summit: Translating Breakthroughs into Practice*** course to be held **February 26-27, 2027**, at the **Mayo Clinic - Kinne Auditorium in Jacksonville, FL**. The course is offered live with both in-person and virtual enrollment options. We expect approximately 100 attendees.

Mayo Clinic Neuro-Oncology Summit: Translating Breakthroughs into Practice covers advanced topics in neuro-oncology, offering a review of advances in diagnosis and treatment of individuals with nervous system tumors. The course covers the latest advances in neurosurgery, radiation oncology, neurology, and medical oncology, discussing novel therapeutic approaches that are transforming clinical practice with personalized treatments. Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in this educational activity with an exhibit table in the amount of \$4,000 or with a sponsorship opportunity as outlined below. Space at the live course is limited and table assignments will be made on a first-come, first-served basis. In support of ACCME guidelines, commercial support will be located in a separate area from the educational activity. This event is open to multiple pharmaceutical companies. Exhibits are “open” from registration until the conclusion of the final lecture.

If you wish to participate, please complete the online agreement and select your method of payment. **Mayo Clinic's Tax ID is 59-3337028** and can be found on the course website.

Our programs provide valuable information on unmet needs to the medical community. We sincerely appreciate your consideration of this request and hope you will take the opportunity to join us in Jacksonville FL, in February for a truly unique educational program.

Sincerely,

Latasha Bunkley
Continuous Medical Education Specialist
Mayo Clinic School of Continuous Professional Development

SPONSORSHIP OPPORTUNITIES

Overview: This course offers limited exclusive marketing and advertising opportunities. These are designed to provide exposure to attendees and presenters during the annual conference.

Exhibitor Table - \$4,000

Limited availability. Includes one 6-foot table with two chairs.

Meal Sponsor - \$3,000

4 available. Prominently display your company name and logo acknowledging sponsorship by the buffet for one 60-minute breakfast or lunch.

Daily General Session Sponsor - \$12,000

2 available. Prominently display your company name and logo acknowledging sponsorship at the registration table, by the entrance to the general session, and within the general session space at the charging stations and refreshments tables for **one full day** of the course. Includes one 6-foot exhibitor table and two chairs, plus two non-CME registrations.

All options include:

- Attendee list including registered attendee's name, credentials, city, and state, to be distributed on the first day of the course
- Vendor recognition in online course syllabus for all registered attendees to access
- Acknowledgement on the announcement and break slides during the course

A signed letter of agreement is required to secure your exhibit space.

All exhibit sponsorships include:

- Includes a 6ft table, two chairs and linen at the course
- Promotion at the live three-day course
- Exhibitors are provided with the same meals and beverages provided to registered attendees
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- An attendee list including registered attendee's name, degree, specialty, city, state, and demographics distributed week of course
- Vendor recognition in online course syllabus for all registered attendees to access
- Acknowledgement in announcements and on the rolling break slides throughout the course
- Access to networking opportunities throughout the course
