

Faculty Biography/Contact Info

Jodi Wiechmann, MS, RN

Jodi serves as Senior Nurse Administrator for Primary Care and Population Health at Mayo Clinic Health System. She provides strategic nursing leadership focused on care team transformation, workforce alignment, standardized clinical workflows, and technology-enabled care. Her population health work emphasizes preventive, transitional, and chronic care management.

With 26 years of healthcare experience, Jodi has held leadership roles as a nurse manager and nurse administrator in ambulatory care. She serves on the board of Mayo Clinic's Community Accountable Care Organization and holds committee appointments with Mayo Clinic's Accountable Care Quality Subcommittee, Utilization Management, Population Health Oversight Subcommittee and Mayo Clinic Health System's Outpatient Practice Committee and Primary Care Executive Subcommittee.

Jodi earned a Bachelor of Science in Nursing from the University of Wisconsin–Eau Claire, as well as a Bachelor of Science in Exercise Science and a Master of Science from the University of Wisconsin–La Crosse.
