Dear Representative,

We are excited to invite you to the [Updates in Family Medicine](#) course, taking place **March 3-6, 2027** at the beautiful **Hyatt Regency Maui in Lahaina, Hawaii!**

This collaborative event, hosted by Mayo Clinic and Kaiser Permanente, is designed to provide a comprehensive, practical update for primary care and family medicine providers. Course attendees will gain the latest evidence-based recommendations across key specialties- knowledge that can be applied immediately into practice.

For those attending in person, the conference features engaging lectures and interactive roundtable discussions, offering valuable opportunities to connect with expert faculty and peers.

We anticipate welcoming over 200 attendees, creating a dynamic learning environment. Full details are available on the [course website](#).

Your support makes this possible! We invite you to participate as an exhibitor for **\$3,000**, which includes:

- A 6' table with two chairs
- Access to all food and beverage events (breakfast and refreshment breaks)
- Opportunities to network with attendees throughout the event
- Attendee list (name, city, state, credentials) provided approximately 2 weeks prior to the event

Space is limited and will be reserved upon receipt of a completed exhibitor agreement.

Please submit your [online exhibit registration form](#) by February 2, 2027. If you don't

have an account, you'll need to create one before completing the form. If you're interested in additional sponsorship opportunities, please reach out- we'd love to explore options with you.

Important Guidelines: Exhibitors may only distribute educational materials at their exhibit space. Non-educational items, product samples, and sales are not permitted. Exhibits will be located in a separate area from the educational sessions in accordance with ACCME guidelines.

Hotel Information: We expect the hotel block to sell out early. If you are planning to exhibit, please make your hotel reservation soon. Details about the rate and room types are available on the [conference website](#) location tab.
