Dear Potential Exhibitor,

We are pleased to announce the upcoming **Urgent Care Updates** conference April 15-17, 2027 at Disney's Grand Californian Hotel® and Spa in Anaheim, California!

Mayo Clinic is offering a comprehensive conference designed to update primary care providers who work on the "front line" and need to be proficient in evaluating and caring for any and all patients that walk into their clinic. Attendees at this conference gain practical knowledge, actionable clinical insights, and valuable opportunities to engage with expert faculty and collaborate with peers, enhancing their ability to deliver high-quality, patient-centered care that can be immediately applied into practice. It is designed for the physicians, physician assistants, nurse practitioners, and nurses in primary care, emergency medicine, and urgent care.

We anticipate over 200 attendees. Additional course details can be found on the conference website as they become available.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate at this educational activity with an exhibit in the amount of $3,000. This fee is for the exhibit space only, which is in the foyer outside the lecture hall where the food and beverage lines will be stationed. Industry exhibitors are provided a 6' table with two chairs. Exhibitors are also invited to participate in all food and beverage events, which include breakfast and breaks.

Important note: Exhibitors may only distribute educational promotional materials at their exhibit space. Distribution of non-educational items (pens, notepads, etc.), pharmaceuticals, or product samples (including sale of products) is prohibited.

In support of ACCME guidelines, exhibitors are located in a separate area from the educational activity. All companies are invited to exhibit at this course, however space is limited and cannot be reserved without a completed and paid Exhibitor Agreement (below). Participating exhibitors will be allowed to set up on Saturday evening before the course.

To exhibit at this course:

- Complete the online exhibitor registration form before March 15, 2027. If you do not have a profile/account you will first need to create one before completing the online form.
