Dear Potential Exhibitor,

On behalf of Mayo Clinic, Mayo School of Continuous Professional Development, and course directors, Karen F. Mauck, M.D., Margaret Beliveau, M.D., Geno J. Merli, M.D., and Howard H. Weitz, M.D., I am pleased to announce "An Overview of Perioperative Medicine 2014: From Outpatient Preoperative Assessment to Inpatient Postoperative Care" continuing medical education course which will be held October 22-25, 2014 at the Hyatt Regency Newport in Newport, Rhode Island.

This course will provide an overview of the preoperative assessment and postoperative management of surgical patients. We will focus on the practical, clinical side of perioperative medicine, but the evidence base for clinical reasoning will be reviewed. Distinguished faculty will contribute diversified clinical expertise to help educate participants on multiple issues related to perioperative care. Course details may be found on the course website: www.mayo.edu/cme/periop2014.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate in these educational activities with an exhibit in the amount of \$1,500.00.

If you are interested in exhibiting at this course, **please complete and return the provided Exhibitor Agreement form and payment before October 1, 2014**. This agreement may be substituted with your company's standard Letter of Agreement Form. Please make payment payable to Mayo Clinic and send payment to my attention at the address below. For your convenience, our Federal tax identification number is 41-6011702.

In support of ACCME guidelines exhibitors will be located in a separate area from the educational activity. Participating exhibitors will be allowed to set up in Breton Hall at the Hyatt Regency Newport on Tuesday, October 21, 2014, after 4:00 pm.

Exhibitors are welcome to confirm hotel reservations utilizing our special group rate at the Hyatt Regency Newport hotel. In order to receive the special rate, reservations must be made before the room block is filled or before the expiration date of September 29, 2014, whichever comes first.

We look forward to the success of the An Overview of Perioperative Medicine 2014: From Outpatient Preoperative Assessment to Inpatient Postoperative Care course and hope you will be able to join us. If you have any questions or your company requires completion of a web-based application, please feel free to contact me.

Sincerely,

Shannon Halvorson
