

ABSTRACT FORM 6th Mayo Clinic Angiogenesis and Tumor Microenvironment: From Basic Science and Clinical Challenges to Patient Care
August 22-24, 2014, Mayo Clinic, Rochester, Minnesota

Overview: As part of the **6th Mayo Clinic Angiogenesis and Tumor Microenvironment: From Basic Science and Clinical Challenges to Patient Care** a poster session for presentation of original research dedicated to the field of angiogenesis will be held. Any projects that pertain to the training and practice of angiogenesis are welcome. They may include guidelines, randomized trials, outcome studies, practice innovations, or descriptive analyses. Posters will be chosen from all abstracts received by the **June 20, 2014**, submission deadline. *Abstract Eligibility:* Original abstracts that either have or have not been presented at other meetings will be considered. Abstracts are eligible if they have been published; abstracts based upon full papers that have been published are also eligible. *Research Competition:* Outstanding abstracts will be selected for poster presentations at the 5th Mayo Clinic Angiogenesis Symposium: Angiogenesis and Tumor Microenvironment: Basic Science to Clinical Practice. *Number of Entries:* A participant may be the primary author on no more than two abstracts; however, he or she may be a contributing author on any number of abstracts. *Deadline:* Abstract submission deadline is **Friday, June 20, 2014**. *Notification of Results:* All primary authors will be notified by Friday, July 3, 2014, if their submission has been selected for the poster session, and details regarding poster set-up will follow. *Printing of Abstracts:*

Primary Author – first name, middle name or initial, and last name		Other specify Degree – select all that apply MD PhD DO PA NP

Please type the following information. Duplicate this form for multiple abstract submissions

Abstract Format Instructions:

1. Type abstract in a space of approximately 4 1/2" x 6 1/2".
2. Type all abstracts in English.
3. Leave one character space (two mm) between the margins and text material.
4. Use 10-point Times New Roman font.
5. Type the title of the abstract in bold, uppercase letters. Do not use abbreviations in the title.
6. Using italics, list the names of all authors (place an asterisk next to the primary author) and the institution, city and state where the work was done.
7. Leave space (one line) after the list of authors and begin typing the main body of the abstract.
8. Indent the first line of the main body of the abstract three spaces.
9. Type single-spaced.
10. Send a computer file of the abstract in Microsoft Word on a CD or diskette or send as an e-mail attachment to: angiogenesis@mayo.edu.
