OCTOBER 8, 2017**

15.0  
AMA PRA  
CATEGORY 1  
CREDITS™

## COURSE DESCRIPTION

Mayo Clinic Pediatric Days provides general pediatricians, pediatric subspecialists, family physicians, physician assistants, nurses, nurse practitioners and resident physicians with current information on medical and surgical conditions affecting children and adolescents.

## LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Incorporate medical information from reviews of commonly encountered clinical scenarios into the daily practice of pediatric and adolescent medicine.
- Describe the implications for evaluation and management of patients from information provided during in-depth reviews of the topics of subjects.
- Implement effective clinical strategies for diagnosing and managing a wide array of challenging problems in clinical practice.

## INTENDED AUDIENCE

MD, NP, PA, Nurses, Residents - Pediatrics, Family Practice

## COURSE DIRECTORS

*Walter J. Cook, M.D.*

*Jonathan N. Johnson, M.D.*
